

Storage cart

A standard cart that can be used as, for example, easy-to-move storage space. The cart is equipped with a handle that makes it easier to move.

- A powder-coated (light grey, RAL 7035) steel frame trolley
- 3 shelves, of which the middle one has height adjustment
- All shelves have a small trim and a black rubber mat or light grey ESD mat as standard accessories
- Four swivel castors (ø 4"), two with brakes
- Maximum load per shelf 66 lbs, 198 lbs in total
- Also available with ESD protection
